ABOUT AL ARABAH

AL Arabah is a UAE based company involved in providing high quality spice mixes, herbal products, powdered coffee, dry fruits chocolate etc.

Providing high quality products at an affordable price is our motto.

The finely grown fruits, seeds, coffee beans etc. are picked and processed keeping all hygienic factors intact at every stage, and are packaged in the most refreshing manner to ensure the freshness of products to end customers. Being into the market from 2002, we currently serve different parts of Sharjah through 5 different outlets and are in a plan of expanding to Dubai and other emirates soon.

MISSION

We are in a marathon effort to provide our customers with fresh products that are made with the highest quality ingredients. We are moving forward with the aim of extending our presence all across the UAE by 2025.

Our uniqueness

High Quality Consistency

We ensure the ingredients are picked from the right suppliers to provide customers with finest quality products without compromising at any stage. Competitive

Competitive Price

We make sure that the products reach customers at competitive prices while maintaining the quality standards.

Best Packaging

All our products are best packed in a manner that the aroma and freshness of the product last long.

HACCP certification

We are certified with HACCP to ensure the safety and quality of the food products.

How we master the art

The infrastructure of Al Arabah is well equipped with all essential machinery for maintaining a perfect production line. It includes a system for cleaning, blending, quality check and packaging. We ensure that the quality of production is not compromised at any stage.

Ingredients of our relationship

Herbs & Spices

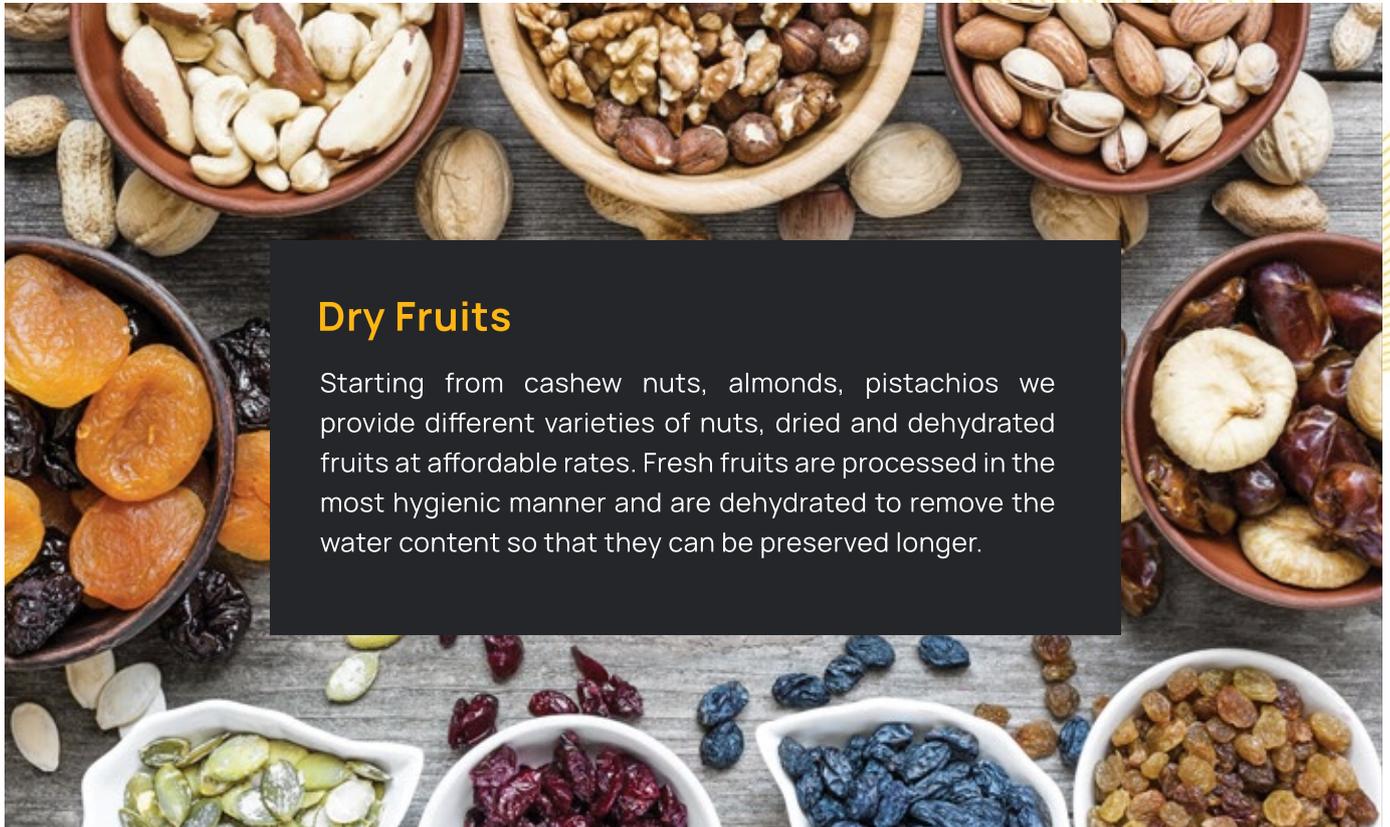

Naturally grown spices are selected and finely powdered and packeted ensuring the refreshing taste as per customer demand. Herbal products of different kinds are carefully chosen and packed according to customer preferences to meet various needs. Herbs and spices mix are available at all our outlets and are an integral part of the business.

Coffee

Finest coffee beans are collected directly from suppliers and are ground live according to customer preferences. They are packed in a special flavor locking system to retain the aroma and freshness for a long period. They can be purchased at various quantities depending on customer requirement.

Ingredients of our relationship

Dry Fruits

Starting from cashew nuts, almonds, pistachios we provide different varieties of nuts, dried and dehydrated fruits at affordable rates. Fresh fruits are processed in the most hygienic manner and are dehydrated to remove the water content so that they can be preserved longer.

Chocolates

Various kind of chocolates for any occasion are delivered in the most attractive packaging and presentation style as per demand. We provide branded as well as home-made chocolates.

Dates

Premium quality dates are collected from the farms and are nourished to tasty bites. Dates are so packed to ensure the freshness and quality consistency so that it reaches the end customers with the most refreshing taste.
